

**Fiesta, Harlequin, & Kitchen Kraft Dinnerwares: The Homer Laughlin China Collectors Association Guide**

Three of the most collectible lines of dinnerware are thoroughly explored in this major work written by expert collectors. Colorful Fiesta, Harlequin and Kitchen Kraft sets made since 1936 by the Homer Laughlin China Company are shown in **592 color photographs** and detailed measured drawings along with extensive analysis of the shapes, marks, production methods, and decorations. Their enormous popularity, originally and now, has made these dinnerware lines familiar to four generations of Americans. This reference will link them with collectors and dealers long into the future.
