(HLCCA)
EQUIPMENT USAGE AGREEMENT**

HOMER LAUGHLIN CHINA COLLECTOR'S ASSOCIATION (hereinafter HLCCA), (Lender), and _____, (Lendee), enter into this agreement commencing on the _____ day of _____, 2000:

Effective the date of signing, Lendee is a volunteer and/or officer for HLCCA, and shall have use of the following enumerated equipment for the duration of that status:

Lendee is solely responsible for the following:

Maintaining the equipment in the condition it was in when this agreement was entered into, including routine maintenance and service as required by the nature of the piece of equipment.

Purchase of such materials as may be necessary for operation of the equipment such as paper, toner, and electrical power. Nothing in this agreement precludes Lendee from invoicing and/or collecting for the cost of such items under a collateral agreement with Lender.

This agreement may be terminated upon 30 days written notice by either Lender or Lendee. If terminated, Lendee remains liable for any and all costs incurred under this agreement. Lessee agrees that Lessor shall deduct all sums owed from the final payment due to Lessee. Should a balance remain due to Lessor, Lessee agrees to pay that amount within 10 days of the date of termination of the agreement. Lender and Lendee may decide to allow Lendee to purchase said equipment at the termination of the agreement at the current market price.

Lessor and Lessee have jointly inspected the equipment and have attached hereto an inventory of damage to said equipment. Any damage not listed on the inventory at the time of termination of this agreement shall be deemed the responsibility of Lendee, who shall be liable for the cost of repairs if returning said equipment to Lender.
